

The Maryland Heights Church of Christ is seeking a preaching minister to continue the mission of our retiring minister. We are a suburban multigenerational church with a growing group of young adult families. We are a friendly, outgoing, Bible centered church that strives to meet people 'where they are,' and live out an authentic faith in our families and community. We have a long history of helping people discover how the story of Jesus changes their lives and their life goals. We are committed to being grounded in faith, known by love, and being a voice of hope. We are an engaging body of believers whose members, deacons and elders are involved in the church's many ministries including teaching adult, teen and children's classes, home groups, and discipleship.

Maryland Heights Church is served by five shepherds and four deacons that work together with the minister as we all seek to grow in our knowledge and faith in Jesus Christ. The minister will be responsible for preaching Sundays, being a part of the teaching rotation, providing pastoral and spiritual care. The candidate should have a bachelor's degree in Bible or related subject from a Church of Christ affiliated university.

If this sounds like a church family where you would like to minister, check out our website at <https://www.mhcoc.org/>. To apply for this position please send a resume and three sermons to: Steve Kloske, Elder, at skloske@mhcoc.org. He can be reached by phone at (314) 402-0007.
