

Pulpit Minister

The Monette Church of Christ (Monette, AR) is seeking a pulpit minister to begin working with us in the second quarter of 2025. The position is currently full-time, however we are happy to consider adjusting the position into a bi-vocational model.

Monette is a friendly community of 1,500 in a growing area of Northeast Arkansas, approx. thirty miles from Jonesboro, Paragould, and Blytheville, and an hour's drive from Memphis, TN. The congregation here is small, but active and community-oriented.

A four-year degree in Biblical Studies or Christian Ministry is preferred, but not required. We encourage applications from all ranges of experience. We are also willing to encourage and support our minister and/or their spouse if they wish to seek higher education while serving with us.

Our exiting minister is part of our search for a new minister, and he encourages any interested candidates to call him with questions about the position, the congregation, or the area.

Compensation includes salary negotiated based on experience with a housing allowance and rent-free residence in a recently remodeled, 3 bed/2 bath home.

If interested, please contact us:
